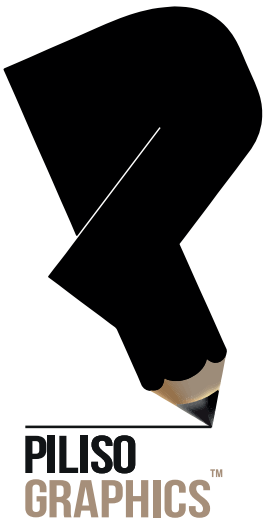
COMPANY PROFILE

PILISO GRAPHICS™



Accessible,
Affordable,
Design for the people

Piliso Graphics (PTY)LTD has established as a Black Economic Empowerment (BEE) company and is a communication an ongoing Employment Equity plan and strategy.

We offer a complete array of web development services. We put into action our expertise in the areas of internet strategy, web designing and development branding, search engine optimization and cutting edge web technologies to empower clients to achieve their goals effectively.

Piliso Graphics is a small and nimble design team based in Gauteng and Eastern Cape that can adapt to the needs and requirements of any design project, big or small. We have been in the industry since 2010, but officially opened to the public in 2016. We've provided highly tailored graphic design and web development solutions to satisfied clients across South Africa, ranging from small business, well established business, individuals, and consultants to educational and nonprofit organisations.
